Dugotrajnost. Izdržljivost.

Tuš kade Armal odlikuju se dizajnom, kvalitetnom izradom i glatkom površinom koja ne gubi sjaj. Izrađene su od lijevanog sanitarnog akrila. Vrhunski akril ih čini iznimno otpornima na udarce, a izgled im se ne mijenja ni nakon godina korištenja.

Longevity. Endurance.

Armal shower tubs are characterized by design, quality workmanship and smooth surface that does not lose its shine. They are made of cast sanitary acrylic. High-quality acrylic makes them extremely impact-resistant, but their appearance does not change even after years of use.
